

AZO Anwendungszentrum GmbH Oberpfaffenhofen is a specialist in the establishment and maintenance of international innovation networks in the field of commercial aerospace applications. AZO supports the development of new products and company foundations via a global partner network. Our customers include the **European Space Agency (ESA)**, **AIRBUS**, **DLR** and the **European Commission (EC)**. From our office, the **Raumfahrtstandort Oberpfaffenhofen**, we manage one of the leading incubators in Europe.

We are looking for the following **support** for our teams in Oberpfaffenhofen with immediate effect:

Innovation Competitions Project Manager

Duties:

- Independent project management for an innovation competition
- Close stakeholder management with European space players and industrial partners
- Foresighted planning and observance of a schedule and milestone plan
- Management of the project budgeting
- Drafting of a marketing plan and coordination of implementation with the marketing team
- Targeted communication internally and externally (partners, participants, winners)
- Independent monthly reporting internally and externally
- Strategic further development of the competition
- Acquisition of new partners

You should offer:

- Relevant university education and initial professional experience within international project management
- Experience in the field of space is an advantage
- Marketing knowledge is desirable
- A talent for organisation and finesse when working with important project partners
- Ability to work in a team
- Good communication and presentation skills
- Excellent knowledge of written and spoken English is a basic requirement
- Independence, reliability and commitment

We offer:

- High level of personal responsibility
- Involvement in the design and further development of a unique space programme in Europe
- Work in an interdisciplinary team
- Flexible and varied position in an international environment

Curious? Then get to know us!

Please send your application with your CV and your possible start date by e-mail to our executive board. If you have a LinkedIn or Xing profile, simply send it as well!
